MEDIA ADVISORY

Joint launch of the 2022 Pakistan Floods Response Plan.

Pakistan is facing its worst humanitarian crisis as unrelenting rains, flash floods, and heavy rains continue creating havoc across the country, affecting a record 33 million people. Although the Government and the humanitarian partners are working to provide immediate relief, much more is needed.

Join the simultaneous launch of the 2022 Pakistan Floods Response Plan from the Ministry of Foreign Affairs in Islamabad and the Palais des Nations in Geneva as the Government, and the United Nations get together to call on the international humanitarian community to help the country cope with this climatic disaster.

Please see the invitation and the program below. A link for virtual participation will also be available. Please RSVP to confirm participation.
